Wintering of bulls Bulls are kept free of charge until May 1st

Delivery Bulls Only, \$100 bill if you take bull home sale day. Delivery will start immediately following sale. Heifers – we will help arrange trucking.

Liability All persons attending this sale do so at their own risk.

Semen Interest RBM Livestock will be retaining one-third revenue sharing semen interest in all bulls selling. This means if we would like to collect semen on the bull for our own use, we would have the option to do so. Also, if semen is sold we would retain one-third revenue. The new owners of the bulls will have full possession and full salvage value.

Guarantee – the RBM Guarantee – the best in the cattle business.

*You're not
just buying a
bull but a
PROGRAM!*

Best guarantee in the business – the RBM Guarantee

Welcome to our annual sale.

It's our great honor and pride that you take the time to look over this sale offering. With that honor and pride, comes a great deal of responsibility – this is something that we here at RBM don't take lightly as both our bottom lines depend on it. As we have said in past letters "this is the best set ever" – it's not just a statement – it is **THE BEST SET EVER!!!** We feel that this set of cattle (bulls and heifers) will help position your operation for the future.

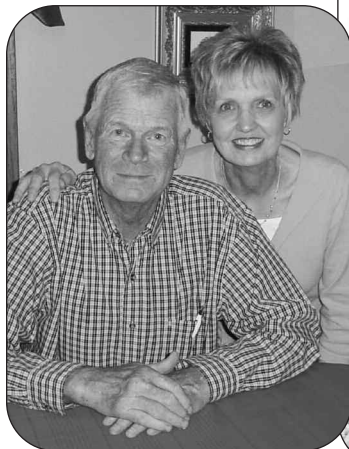

As we look back on 2013, we have a lot to be thankful for and some things to shed tears about! **Agriculture is in the strongest position ever!** Looking back to the July and August video sales of calves selling...it looked great and that was only the beginning of a great market. As we write this letter in mid-January of 2014, it's great to see fat cattle in Watertown, SD bringing \$1.45 cwt – a record high plus feeder cattle making new highs each week. It's great that those of us who have stayed with the cows, over the years, are being rewarded. We believe that this market will continue to stay very strong in the future.

An April, 2013 blizzard here in eastern SD took lots of baby calves and the October, 2013 blizzard in western SD and surrounding states had huge losses. The impact of these storms will have a huge effect on cattle numbers that are already at record low numbers.

Hopefully, on March 9th the weather will be great (unlike last year), and you can be with us and find genetics for your program. Go to our web site (www.rbmlivestock.com) and view the program. DV Auction will again be here on sale day. If you have questions about DV Auction, contact Justin Dikoff at (605) 290-0635 or Mike and Ryan.

CALVING EASE BULLS SACRIFICE PERFORMANCE

Maybe in years past this statement would be true but here at RBM, we believe in cattle that have calving ease that will grow and perform without sacrificing the end product. As you look through the offering, you will find many bulls recommended for heifers. Don't be shy to use a recommended heifer bull on your mature cows as they will start little and will perform just like they have here.

Lots 84-233 Sell as Commercial Angus Heifers

These heifers are mostly out of RBM genetics. The heifers are Angus based and have the cow making look! The heifers are long, feminine and gentle with great genetics to make profitable cows. The heifers will weigh 775-825 on sale day. The heifers are fed to grow and will stay sound and not get fleshy. They are all running together in one 5-10 acre pen. The heifers are on the same vaccination program as the registered cattle. We will sell the heifers in numerical order (84-233) the bidder has the option to take 1-150 head in order. They will be sorted into groups of 50-60 head lots the week of the sale. Heifers may be fed until May 1-15 at cost - talk to Mike or Ryan prior to sale to discuss this option.

Thank you
TO OUR PAST BIDDERS AND BUYERS!
